Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

IMPAIRMENT OF ASSETS

An asset is treated as impaired when the carrying cost of the Asset exceeds its recoverable value. An impairment loss is charged to the Profit & Loss account in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting periods is increased / reversed where there has been change in the estimate of recoverable amount. The recoverable value is the higher of the net selling price and value in use.

USE OF ESTIMATES

The preparation of financial statements requires management to make estimates and assumption that affect the reported amounts of assets and liabilities on the date of financial statements, the reported amount of revenues and expenses and the disclosures relating to contingent liabilities as on the date of financial statements. Actual results could differ from those of estimates. Any revision in accounting estimates is recognized in accordance with the respective accounting standard.

EARNINGS PER SHARE

The Company reports basic and diluted earnings per share in accordance with AS-20 "Earnings Per Share". Basic earnings per share are computed by dividing the net profit or loss for the period by the weighted average number of Equity Shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit or loss for the period by the weighted average number of Equity Shares outstanding during the period as adjusted for the effects of all dilutive potential equity shares.

PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS
